Dear Parents and Carers

Our *Present Room* has been an incredibly popular fundraiser for the last couple of years and we are really looking forward to this year's event.

The *Present Room* is for children to choose and wrap gifts to give to a loved one for Christmas. We would like to ask you for donations for the Present Room and are planning a non-uniform day on **Friday 4<sup>th</sup> December** where children can come to school in their own clothes and bring a gift donation.

Gifts should be a small token e.g. a candle, bubble bath, notebook etc. We will be selling items for £2 so please bear this in mind when donating (nothing too expensive, but something you might like to receive 😊) **No gifts of alcohol or which may contain nuts please.** We will provide children with gift wrap/bags and a tag for them to write.

Classes will take turns to visit the Present Room on Tuesday 8<sup>th</sup> December.

We have a team of helpers who will sort the donations and we will replenish the gifts throughout the day. We hope that with all of the donations that there will be enough for everyone however to ensure that we are able to offer as many children as possible to the opportunity to buy a present, we will limit purchases to one per child in the first instance. I do hope that you understand that this limitation is to avoid children being disappointed.

If there are gifts left after all classes have visited, then we will allow children who would like to buy another gift to do so.

Please ensure that your child brings the correct money to pay (£2) in a sealed envelope to avoid the need for cash handling and giving change. If you would prefer, then you can transfer money directly to the Fundraising Committee bank account using the details below.

We appreciate that this has been a challenging year for everyone and sadly, many families will be faced with additional financial pressures this Christmas. We are fortunate to have such a generous and supportive community and will donate the proceeds from this year's Present Room to Cash for Kids. We hope that this will help local children and families who may be facing unexpected financial hardship to have a Merry Christmas.
