

CROOKFUR FUNDRAISING UPDATE

ISSUE 1

As we are sure you are aware our Spooktacular mini mudder way back in Nov 2020 raised a fantastic £8700.

Combined with our existing funds this generosity has enabled us here at the fundraising committee to help our pupils and the wider community in a range of ways including;

Online Panto for all our classes in Dec

We were able to provide all classes with access to a fantastic online performance of Goldilocks in December to bring some much-needed Festive cheer alongside snacks and drinks for all the Christmas parties.

A Helping Hand for Santa

We were able to help Santa deliver books for all our P1 pupils in the run up to Christmas. We were also able to provide some much-loved Christmas craft materials to all our boys and girls.

New Musical Instruments

We have been able to provide the school with a range of new musical instruments to be loved and enjoyed by all classes throughout the school.

New Art Supplies

We have been able to donate a range of new skin toned colouring pencils for every class making sure we honour our commitment to diversity and inclusion in the classroom.

On top of this in the coming months we intend to provide:

Learning Resources

The generosity of our Crookfur community has enabled us to consider purchasing more resources which will enable teachers to aid learning both during lockdown and when we are back in the classroom. This will be hugely beneficial to both teachers and pupils and is especially important during these challenging times. Further updates to follow.

Google Chromebooks

We have made a commitment to buy more Chromebooks for the school to enable online learning and offer more access to technology across all age ranges. When availability allows these will be purchased on behalf of the school.
