Comments:

We found the sessions super helpful and informative. Teachers in both classrooms were really engaged and we left feeling positive about the school year ahead.

So lovely to put faces to names and see the children's classrooms that they speak so much about.

Great opportunity and good to have at start of new term.

It would be good to repeat this later in the year too.

I think this is a great opportunity at the start of the year to see the learning environment and get an introduction to the class teacher. I think the format works well.

Lovely evening, really pleased to have met my child's teacher! She was tickled pink I even sat at her desk!

Thanks ever so much to the whole Crookfur team, :-)

It was lovely to meet my child's teacher and I appreciate having the opportunity to do this. I hope this will be available to do so again in the future.

I'd like to thank the teachers for taking time out of their evenings. I really appreciated the insight into the school day and how the class programme is structured.

Very well organised. It is useful for parents to have the chance to meet the teachers at the start of each year.

More such events would be helpful to stay updated with the child's progress and other learning opportunities

It was great to see the set up of the classroom and everything that the children had achieved in such a short time. It was also very useful to get an overview of what they are learning and what the coming months hold.

Lovely to have the opportunity to see the classroom and meet the teacher so early in the school year. I found the teacher to have a great balance of professional, competent, friendly and approachable. She gave a helpful and thorough overview of the classroom, schedule, work and activities.

Next Steps:

- ✓ Promote other opportunities for parents/carers to visit classes and meet with teachers across the year e.g. P1 pop in and play (Oct), parents evenings (Nov and Mar), open afternoons (Feb)
- ✓ Consider further coffee and chat events for all year groups

Thank you for your continued support!
