1. Correspondence: LT had an e-mail from Connect that she will distribute; as well as information on young people and gambling. JC had confirmation from the Co-op that Cross Arthurlie will receive more money from the community fund of £1976.19.
2. Treasurer's report: The account is currently sitting at £2420.36 after a successful Halloween Disco and Shoppers Evening.
3. Fundraising Report: A discussion took place around the Christmas Fayre. FM will confirm with the fundraising committee as to what stalls the school will have and who has offered to help. A Parent Council Helpers Facebook page has been set up. There will be a fundraising meeting prior to the Fayre. The video was discussed regarding the children informing the viewers as to what the money generated from the fundraising events has been used for. The PC members thought this was a great idea as there was a lengthy discussion as to how to get more parents/carers involved.
4. Head Teacher Report: Included.
5. AOCB:
The Wet Weather policy was discussed. There is no formal policy and it is down to decision making on the day.
NW thanked the teachers who have taken time out from their home life to accompany the P7 children on their residential trip.

Next Meeting: Tuesday 3rd December 2019 at Barrhead High School
