

26<sup>th</sup> February 2020

Dear families,

This year we have been promoting reading for enjoyment in all classes. There have been updates to all class libraries and we're in the process of developing a school lending library. This week we have been taking part in the 'Reading Aloud' campaign with children and staff being caught reading in various places.

Given the focus we have on reading for pleasure we are planning to celebrate World Book Day, on **Thursday 5<sup>th</sup> March**, in style. Staff and children are planning lots of opportunities to read together with children being read to by their teachers and in different across different classes. If your child has a favourite book they may bring their favourite book to school, come dressed as their favourite character or bring a prop from their favourite story.

The focus for the day will be on enjoying reading and celebrating stories so please don't feel pressurised around the dressing up part.

We are really looking Looking forward to celebrating the joy of reading throughout the school on that day.

Yours
