1. LT gave a farewell speech as this was her last meeting as Chair. Please see attached report

2.**Correspondence:** There was correspondence from the Co-Op to say that our application for community funding this year was not successful, but we had received funding the previous year

3. **Treasurer's Report:** The books have now been audited. There is currently £1300 sitting in the account. No Fundraising has taken place since the start of the year due to Covid restrictions.

5.**Fundraising Report:** As mentioned before there has been no fundraising since the Lockdown in March. However, some thought will be given to virtual fundraising as plans were discussed to run a raffle and also to sell some decorations that are usually made by the classes for the Christmas Fayre and the options on using parent pay to collect the money. A dress down day will also be held with half the money raised going to school funds and the remainder going to Children in Need.

6.**Head Teachers Report:** Mrs. McDonald's report is provided as an attachment.

As this was the AGM meeting nominations too place for the vacant roles. The following people were nominated and seconded.

Chair – Elaine Aitchison

Vice Chair – Susan Hoppe

Treasury - Elizabeth Thomson

Fund Raising - Colette Byars and Jillian McGrain

Secretary – Marion Cunningham
