Dear Parent/Carer

Unfortunately due to current restrictions the Parent Council are not able to hold an evening Hallowe'en Disco this year and we have once again agreed to have some in class celebrations. These will take place on Friday 29<sup>th</sup> October.

Each class had a chance to discuss what they would like to happen, last Wednesday and their views were shared via the pupil council.

The children agreed the following points:

- P1 & 2 really wanted to avoid being too scared so they will only wear their costumes in the afternoon. We won't have anything sharp and props will be left at home.
- We can wear our own clothes, rather than uniform, on Friday 29<sup>th</sup> October.
- We may have a parade in the afternoon (if it's not raining).
- All teachers will be given money from the Parent Council. This can be used for apples, pumpkins, decorations, special craft activities, games and some sweets.

Children who want to wear costumes should bring them in their school bags or another clearly marked bag and will change into their costume after lunchtime.

Hopefully by sticking to the rules agreed by the children, we can all have a great time on Friday.

Yours sincerely

A handwritten signature in black ink that reads 'Fiona MacDonald'. The signature is written in a cursive style.
