WHAT'S YOUR CHILD'S DREAM?
Future Me gives your child the chance to share their dreams for the future. It's your chance to promise your child that you'll do everything you can to help them imagine a great future and live their dreams.
Visit Futureme.scot to find out more.
FUTURE ME

WHO IS IT FOR?

Future Me is for you, the parent or carer, to use with your child. It's all about giving your child the chance to talk to you about their dreams for the future, and making them feel part of something big and exciting.

BRING IT TO LIFE

Simply help your child bring their dream to life in a sentence, letter, drawing, picture or video. You can then upload photos and videos straight from your smartphone.

ADD IT TO THE WALL

Step 1: Visit Futureme.scot, type in your child's dream for the future together and/or upload a pic or v

Step 2: Fill in the form to submit y child's dream.

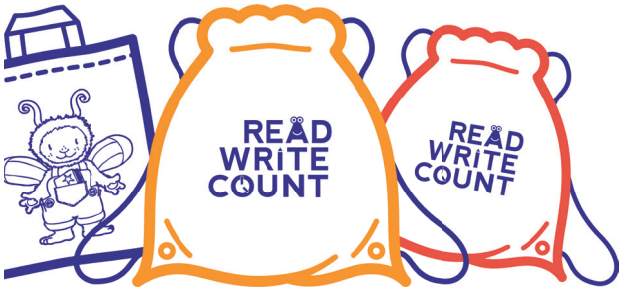
LEARN TOGETHER

To give your child the best chance of living their dreams, you need to help them learn and use some essential life skills. A little practice together will make your bond even stronger and it'll make a huge difference to your child's future too.

You can find lots of simple, everyday ways to practise these skills with P1-P3 children on the Read, Write, Count website – **www.readwritecount.scot**



RWC ACTIVITY BAGS

If your child is in P1 they will have received a Bookbug bag, and if they're in P2 or P3 they will have received a RWC bag. These bags are full of materials to read, write and count at home together that can be used over and over in different ways. Find out more information as well as tips and ideas at **www.readwritecount.scot/activity-bags**
