

**“You win
some, you
lose
some”**

**Lathallan
Eastwood
24 - 3**

NETBALL NEWS

After a 16-4 victory against Castlehead High, the S2

girls hoped for more success in the Scottish Cup tournament.

They were to play Lathallan High School, a boarding school located in Aberdeen.

Unfortunately, Lathallan had a very strong start; scoring 9 goals in the first quarter. They had a very strong defence and although Eastwood were trying their best they couldn't always keep up with the pace of the game.

On numerous occasions, both teams were pulled-up for footwork which caused Eastwood to lose out on getting chances to score in the circle.

Going into the second quarter, Lathallan made a couple of changes regarding positions but their team continued to maintain their quality of play. Eastwood had many attempts at the net but Lathallan were very good

at intercepting and jumping high. Alex Cuthbertson (Goal Shooter) luckily managed to score which helped Eastwood gain a little more confidence.

Throughout the third quarter there were many footwork issues from both teams once again. Eastwood received quite a few free passes which lead to some shooting attempts. Lathallan also missed some goals but ended the third quarter with 11-1.

For the final quarter Eastwood came back fighting and managed to score two goals. Their passes were stronger, they communicated well as a team by calling for the ball and simply working nicely together.

Despite the fact that this was a disappointing game, they didn't fail to maintain their high-level of enthusiasm and their team-spirit truly shone.

The finishing score was 24-3 and Lathallan High pupils elected Natalie Hendrie as 'Player of the

Match.' Congratulations Natalie!

Miss Watt and Miss Shannon concluded the game with the words "You win some, you lose some."

Let's just hope Eastwood are lucky next time!
