

## WHY HAVE A UNIFORM CODE?

It is beneficial to parents, pupils and staff. It is compatible with East Renfrewshire Council's Dressing for Excellence policy.

### Parents

- Avoids disputes about what is to be worn to school
- Provides low-cost durable clothing
- Prevents the 'blackmailing' of parents into buying expensive fashion clothes for school

### Pupils

- Provides security in knowing what should be worn and avoids "bullying" over clothes that are worn
- Helps to single out any intruders in school

### Staff / School

- Improves safety and security by providing immediate identification of all pupils
- Avoids disputes over what is acceptable school wear
- Encourages a sense of loyalty and belonging to the school
- Safe in subjects like Home Economics, Science and Technical
