

Giffnock Nursery Class

A little taster.....

A literacy rich environment...

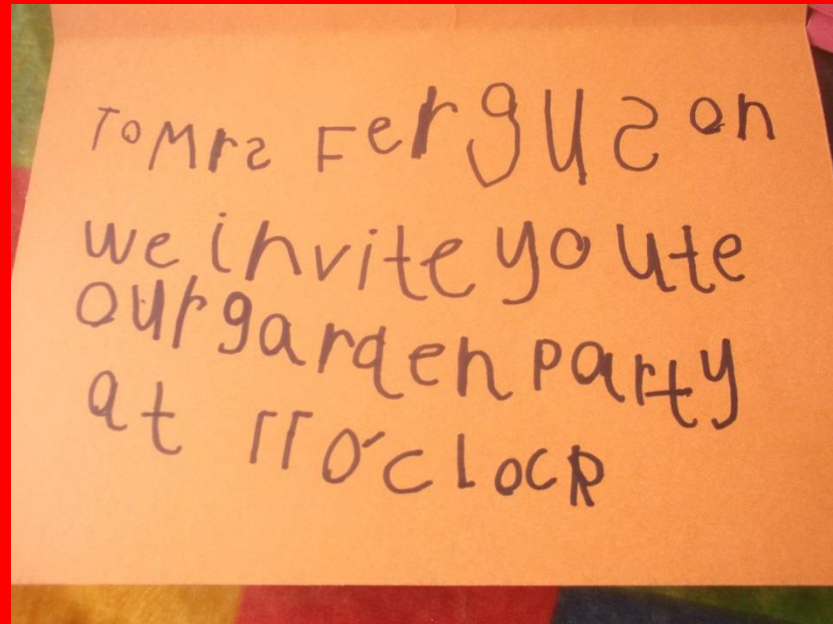

We write in a variety of contexts.

Romping all over the rock pool
In their wonderful home for two.

Writing for a purpose..

Or just for fun...

We love to read and share stories.

We even dressed up as our favourite characters.

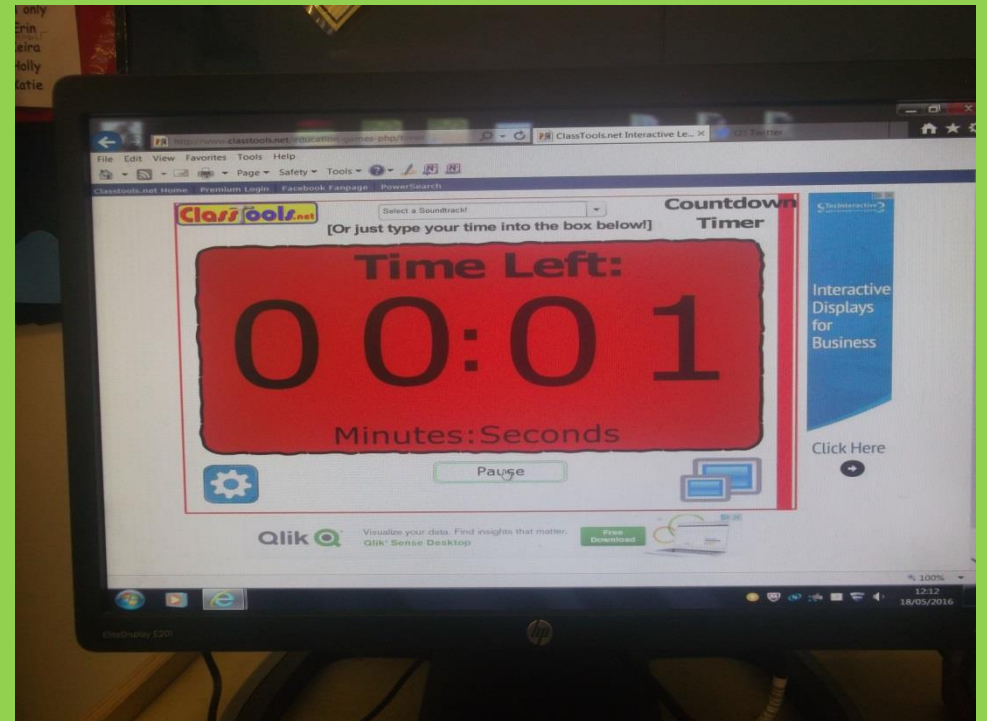

We enjoy numeracy experiences indoors and out.

Using coins to buy items...

Counting backwards with the timer at Tidy Up Time.

We enjoy preparing and eating healthy snacks at nursery.

We brush our teeth and enjoyed a visit from the dentist.

We have healthy bodies and enjoy energetic activities.

We love hanging around at nursery....

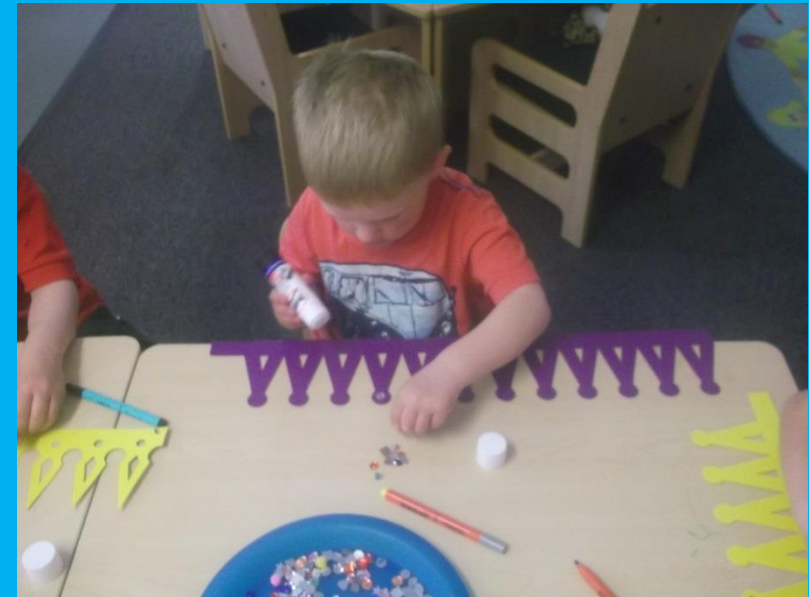

We are learning to manage risk and use tools safely.

Sometimes parents and carers come and play and we enjoy reading with them.

We are very creative at nursery.

We designed items to sell at our Garden Party

We are Eco friendly. We plant and grow and feed the worms with our snack peelings...

We learned about the wider world with our Fairtrade Big Breakfast.

We use technology to help us learn.

We look forward to welcoming you to
nursery very soon 😊
