All Parents Nursery - P7

Dear Parent / Carer

At Giffnock, we want to find a range of ways in which to communicate with the wider school community and to share our children's learning. Last session, our nursery Twitter feed proved a very effective means of doing this. This medium allows a very visual and immediate way in which to share a range of learning experiences with you, whilst providing a significant channel for celebrating successes and achievements.

This session, we are electing a Twitter Pupil Group in order to allow the children themselves to lead the sharing of experiences across Primary 1-7. Whilst the children themselves will not actually tweet, the group will be at the heart of planning, photographing and drafting many of the tweets that are shared. In this way, we hope that you will get to see their perspectives on a range of activities and achievements across the school. This new Twitter feed will be in addition to our existing nursery feed.

We have already begun to tweet and, once photographic permissions have been properly collated over the next few weeks, we will begin to show more faces of the children involved. We hope that you will enjoy this means of sharing and would encourage you to follow us at:

@giffnockprimary

Yours faithfully

Rob Lawson
Acting Head Teacher
