

Twitter Group

How you can help?

- Follow us on Twitter at @giffnockprimary
- Follow our nursery at @giffnocknursery
- Use our website regularly to keep up to date with your child's class activities and achievements.
- Follow the achievements of other pupil groups at the school via our website.

Lauren P6

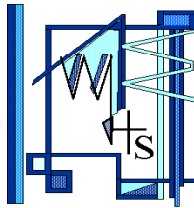

"Being in the Twitter Group is really exciting, I have a big responsibility".

Kris P6

"I am looking forward to going round the classes and getting lots of good stories".

Article 29: Education must develop every child's personality, talents and abilities to the full. It must encourage the child's respect for human rights, as well as respect for their parents, their own and other cultures, and the environment

Tweeting at Giffnock Primary.

Giffnock Primary School is now using the on-line social networking service called Twitter which follows the daily learning activities of pupils of the school. The school will be tweeting every school day in an attempt to involve our parents and community with everyday life of the school.

Get involved!

To follow the school's Twitter feed, you must have your own Twitter account. Once set up, you should follow us at @giffnockprimary for all our latest interesting tweets!

Twitter Group 2016/17

In order to ensure our pupils are at the heart of Tweeting and communicating with our parents and community, we have set up a Giffnock Primary Twitter Group. This group, consist of 10 Primary 6 pupils who will work in pairs each day of the week to fulfill their role as a 'Twitter Journalist'. They will drop in on a designated class, take pictures of the learning experiences and work together to create a Tweet about the learning activity.

How will this work?

At the start of each week, staff will note when they their pupils are taking part in an interesting and novel learning experiences. Mr. Mayer will then instruct the Twitter Journalists on that day to visit the classroom at a designated time to report on the learning and capture a Tweet. The Journalists will then return to Mr. Mayer with the story and the pictures and he will then Tweet the story at lunchtime or at the end of the school day.

Some of our Tweets so far...

Our P7 pupils having a super day at Woodfarm High's P7 Design Challenge.

Pupils enjoying their team building day at The Experience in Hillington as part of the money raised from the P6 Virgin Money project.
