

21<sup>st</sup> November 2017

Dear Parent/ Carer,

The school has renewed its subscription with Education City for this session. This is an online resource which many of our children access and utilise during class time, for a range of learning activities, and is a very useful tool to support learning.

There are Home Access Licences that the school can offer as part of our agreement. If you would like your child/children to have home access could you please make a payment of £2 online via ParentPay by Friday 1<sup>st</sup> December 2017. Only one payment is required per family which should be paid to your eldest child's account.

In the coming weeks, should you choose to purchase home access, you will receive a further letter containing your child's username and password which they will need to log on at home.

I have included some information on Curriculum for Excellence levels for your information in order for to get the most out of these homework modules.

Level	Stage
Early	The pre-school years and P1, or later for some.
First	To the end of P4, but earlier or later for some.
Second	To the end of P7, but earlier or later for some.

If you would like any further information please do not hesitate to contact us,

Yours sincerely,

*Fraser Thomson*
