

Fizzboom Fairtrade Stall

Dear Parent / Carer

As part of our Fairtrade topic, Primary 5 will be hosting a stall stocked with a variety of Fairtrade products from the 28th November- 7th December.

All products are supplied by the Paisley based organisation, Rainbow Turtle, and all profits will be donated back to Fairtrade. Rainbow Turtle work to reduce global poverty by raising public awareness of Fairtrade. All of the products we will be selling have been made in the improved working conditions and for the fairer wage that Fairtrade affords.

Products will vary from chocolate bars to craft items, but all will range from approximately £1- £4. Pupils will have an opportunity to come and view the stall to see what is on offer over the first two days. Every class will then have a time to buy from the stall each day if they wish. This event is entirely optional and not all children/ families will wish to participate.

This was a hugely successful enterprise for last year's P5 pupils who raised over £250 for Fairtrade, while developing valuable skills. This year's P5 children are excited to take part in the running of 'Fizz Boom Fairtrade' and look forward to serving lots of happy customers!
