

Hour of Code Participation Guide

Anybody can learn.

HOUR OF CODE

December 4-10, 2017

1 Choose an Hour of Code activity

There are fun activities for students of all ages, created by a variety of partners and for a variety of subjects.

We've got options for that! Visit code.org/learn

Mark your calendars for December 4-10, 2017!

Start at hourofcode.com

Self-guided—requiring minimal teacher prep.

Code.org's own activities feature Minecraft, Star Wars, Disney's Frozen, Angry Birds, and Plants vs. Zombies.

"I challenge girls in every single country to learn one Hour of Code."

Malala Yousafzai
Nobel Peace Prize Winner

Grades 2+ | Blocks, JavaScript

codeSpark Academy with The Foes
Pre-reader - Grade 5 | Blocks

Make a Flappy game
Grades 2+ | Blocks

At Giffnock Primary School we are working hard to provide opportunities for digital Learning across the curriculum. Coding and Digital Making is an important part of that. Feel free to use as much or as little of this to make children familiar with skills in Computer Science such as sequencing, repetition and the logic involved in programming.
