### **Pushchairs:**

Parents/ carers with pushchairs can access the school via the front ramp entrance and pushchairs can then be 'parked' in the Brown hall (for Health & Safety reasons please do not leave buggies in the corridors).

### **Secured entry system:**

As the safety of our pupils is a priority at all times and following Health & Safety guidelines, can parents/ carers please remember not to 'buzz' other parents into the school building as everyone should gain entry via the main office door. Thank you.

We look forward to welcoming you  
to share in the children's learning!

*Education should develop each child's personality and talents to the full. It should encourage children to respect their parents, and their own and other cultures.*
