Discussion points	Notes	Action
PC reps from A classes to prepare presentation for this Friday's assembly on our Growth Mindset/School Values quotes project.	The group discussed what should be mentioned in the presentation and decided on: <ul style="list-style-type: none"> <li>• Introduce members,</li> <li>• Remind people of school values,</li> <li>• Explain how we selected quotes,</li> <li>• Classes to go view quotes and link to values.</li> </ul>	Edward, Scott and Harris to produce PP containing information as decided by whole group
PC reps from B classes to prepare presentation for this Friday's assembly on our upcoming Nursery Entrance project.	The group looked at the Nursery entrance then discussed the project.  Whole school to suggest possible theme/design.  Tricky space to design on paper – solution agreed was to ask pupils to present their ideas in a simple rectangle which helpers can then take and adapt to suit the space.  It was decided that pupils should have the option of working with siblings to submit a family idea or to submit independent entries.  They decided the presentation should include: <ul style="list-style-type: none"> <li>• explanation of the reason for the project (to make entrance more welcoming),</li> <li>• explanation of the process as decided above,</li> <li>• possible themes to give people ideas.</li> </ul>	Sam and Rory to add to PP with information on this project.  Mrs Downie to finalise the powerpoint and allocate lines to all P1-7 members.  Nursery can stand with PC during presentation.
<b>A.O.B</b>	The reps had a few ideas from themselves or class mates so it was decided a general PC meeting would be useful soon. Not all aware if they have PC suggestion boxes in class.	General meeting date to be arranged by Mrs Downie.  All reps to check with class teachers re PC suggestions box and remind class about its purpose.
<b>Next Meeting:</b> Friday first thing to issue and rehears lines for presentations.
