

Community Café

What we do?

We sell delicious tea, coffee, a variety of cakes and more.

When and where?

Giffnock Primary School in the Achievement Hall on Friday:

8th June 3-4pm

Sharing Learning

The Woodfarm High Pupil Parliament Digital Skills Committee will be present, with the chance to share their experiences.

We have a digital club for children and parents to come along to and use our technology. Mental health awareness training will be run by some P7 pupils so you can learn how to improve the quality of your mental health.

Kids Entertainment

If you have a young child who you would like to bring with you, we have created a kids club which includes drawing, toys and more.
