Free School Meal Entitlement and Pupil Equity Funding

Dear Parent / Carer

The Scottish Executive provides significant funding to schools across Scotland in order to further support equity in learning for all children. At this time, the Executive continues to base the amount that each school receives upon the number of children with a Free School Meal entitlement.

If your child is eligible for a Free School Meal entitlement, we would encourage you to register for this as not only will it provide that benefit for your own child, it will also result in additional funding through the Pupil Equity Fund being provided to Giffnock Primary School.

Within our cluster, we aim to raise the profile of this entitlement and Woodfarm High School has put together a flier which details relevant information; whilst some of the details on it are specific to Woodfarm, it does provide clear and useful guidance.

To find out more, go to www.eastrenfrewshire.gov.uk/freeschoolmeals

If you would like any further information or support with the process, our school office can assist you further in this matter.

Yours sincerely,

Rob Lawson
