

**Giffnock Nursery and Primary  
Support and advice from NHS Oral Health Specialist Lisa Tinney**

**Parental Drop-in Tuesday 23rd October 2018  
9.15 am till 9.45 and 2.15-3pm**

**Giffnock Nursery and Primary are working in partnership with the NHS Oral Hygiene team to deliver hands on advice and support for ensuring proper oral hygiene.**

**At Giffnock, from Nursery to Primary 2, staff support children with daily brushing and instruction. However results still show that we need to work with our children on continuing this good routine throughout their school age career.**

**Lisa Tinney is offering helpful tips and advice to all parent/carers on how to develop this from a young age with their children right through to early adulthood and the difficulties that may arise and what to watch out for.**

**Lisa will be in school on Tuesday 23 October in the morning and afternoon to share her expertise and offer some friendly solutions. Please feel free to come along and gather some free goodies and advice.**

**All welcome!  
From the Giffnock Primary Support Team**
