

By the Pupil Council, designed by Lexi and Zara

# Giffnock Goes Spotty

# Children in Need

- We are having a wear spotty clothes day on the 16th of November
- We would love it if you brought in an optional donation for the charity
- You can do a full dress down in spotty clothing or just wear a spotty tie, socks or something else small along with your school uniform

The background of the slide is a light gray color with a pattern of colorful polka dots in various sizes and colors, including green, yellow, blue, purple, and pink. The dots are scattered across the entire page.

# Why we are doing it

We are doing it to raise money and awareness for the Children in Need charity and what they do

thank you!
