## Giffnock Nursery and Primary Health and Wellbeing through Physical Activity

**January – March 2019**

# Health and Wellbeing

In our school, we provide two hours of physical education (PE) every week for our children. Physical education is taught through three different themes:

- **Physical Activity and Education**
- **Physical Activity and Sport**
- **Physical Activity and Health**

Each class follows a varied timetable of sport and physical activity throughout the year. We celebrate our school and club, sporting successes and achievements through our assemblies, blogs, Twitter feeds and annual events like School Sports Day.

We have an active Sports Committee which promotes the importance of a healthy lifestyle and we have been awarded the Gold level SportsScotland Award for our school achievements.

At Giffnock Primary we are fortunate to have the support of our families, staff and local community in helping to deliver a diverse range of activities for you and your child both in out with school hours. Look out for regular information on our extra-curricular activities and please let us know should you wish to support and help run a club.

We work in partnership with a variety of coaches and sporting providers locally e.g. Giffnock North, Giffnock Tennis Club, GHA Rugby, Bellahouston Ski Centre and Mearns Castle Golf Academy.

At Giffnock Primary for PE we use our school halls, our outside playground with equipment (weather dependent), our trim-trail and the local area to support us in developing our children's health and wellbeing. We are also using daily fitness activities like run/walk towards a mile (the 'Daily Mile') as another, additional opportunity to bring in physical activity during the day.

Our classes have PE on the days below with some of our classes having 'double' PE lessons (hence two rather than three days for the two hours). However, with at least one weekly outside PE lesson, **we would request keeping outside and inside gym kits at school for the whole week**, allowing flexibility for our children and staff to take advantage of visiting specialists, the playground and good weather too!

Some classes have also booked extra slots in their timetables to give them flexibility across the week, or for when we have visiting specialists.

As detailed in the '**recommended clothing**' section of this leaflet, please ensure that your child has appropriate PE kit for **outdoors PE** in the Scottish climate each week.
