Discussion points	Notes	Action
Promoting literacy days	There are lots of events going on in the school, so we are going to focus on World Book Day in March, which gives us lots of time to prepare.	Tell classes about Book Week Scotland events in Giffnock Library. Our Book Week Giffnock will be in March combined with WBD.
First Minister's Reading Challenge	We are going to introduce the FMRC to the school at an assembly on the 9 th of November. There is a ready-made powerpoint which Mrs T will show for the Librarians to edit and use.	Organise the presentation and powerpoint at the next meeting.
Promoting enjoying books / resources that come in	There are two magazines that the school has subscriptions for that we feel aren't widely enough known about. Furthermore, Mrs T has been entering (and winning) competitions, so there are lots of new books in the library. We feel the rest of the school should be made more aware of this, so we are going to write book reviews to raise awareness. Mr L has said he is happy for these book reviews to be presented at assemblies (they are also going to go on display in the library, be posted on the website and be tweeted on the school twitter page).	Librarians have decided who are going to write which book reviews. They will write the book reviews.
