Bonjour!

We thought we'd do something a little bit different today. We're going to have a French Friday!

Camembear and Lapinou have come to stay with Mrs Bradley for their holidays while nursery and school are closed. Some of you will have already met them and played with them and started learning French with them!

If you click on the link below you will find two little videos featuring them and songs to learn with them.

You will also find a fantastic link to learning a new language with your family while you are all at home.

Please remember that our school and nursery Twitter pages are public so you don't have to join Twitter to access them. There is lots of fantastic advice and fun stuff for you to read and do and you will see that many of our families are sharing pictures which is a lovely way to feel connected.

Enjoy!
