Today's fun will be a little bit
sticky ☺

Tuesday 24th March 2020

Because the weather's been so windy there are lots of little sticks lying around outdoors. See if you can find some and try making the first letter of your name. You can also practise writing your little dotty name that you took home from nursery ☺

Here are some letters I made earlier....

If you can't find sticks you could use little stones, pasta, cotton buds or bottle tops?

There are lots more sticky ideas at

Enjoy listening to this little sticky story too....
