

Giffnock Family Values Challenge

Inclusivity Friendship Honesty Respect Determination Kindness

Dear families,

Our values are embedded in the day-to-day life of our school community. While it is not possible for us all to be together within the school our values are as important as ever. We would like to invite you all to join in our 'Family Values Challenge'. This is a photograph challenge to capture one of our school values in action, in any way that you feel is fitting, and we hope that this will be a great way to share images of our school community together, at a time we cannot be in closer proximity as normal. The photograph could be of your child, the whole family or it might even be taken by one of our young budding photographers.

The challenge will run until Friday 8th of May and there are several ways in which you can share your photographs with us -

- On Twitter @giffnockprimary and/or @GiffnockNursery
- On your child's Google Classroom

We are really looking forward to seeing all of your entries and hope that this will be an opportunity to share some positive and special moments within our school community.

Kind regards,

The Giffnock Senior Leadership Team
