Bonjour les Amis ☺

Have a wee listen to the first finger rhyme we learned and then we'll have a go at a new one.

Today's finger rhyme is called "La Famille" .

You will be the thumb and you will say "bonjour" to the rest of the family.

They are "maman" mummy, "papa" daddy, "grand frère" big brother and "petit bébé" on one hand, then the same on the other hand except for "grande soeur" big sister.

It goes like this

(left hand)

**Bonjour maman. Bonjour papa,**

**Bonjour grand frère. Bonjour petit bébé.**

(right hand)

**Bonjour maman. Bonjour papa.**

**Bonjour grande soeur. Bonjour petit bébé**

Maybe you can call people in your family by their French name!
