

WORLD BOOK DAY

4 MARCH 2021

On Thursday 4th March we will be celebrating **World Book Day**. Throughout the day, the children will participate in a variety of literacy activities to further promote a love and enjoyment of reading.

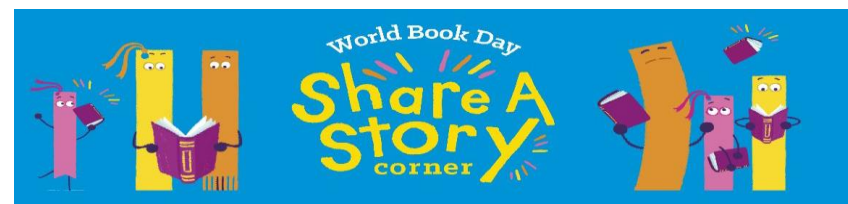

Under normal circumstances we would dress up for the occasion, however this year due to Covid-19 and our awareness of additional pressures due to the pandemic, including financial ones, we would ask that the children come in their school uniform.

World Book Day organisers have created brilliant resources for families to help to develop a culture of reading for pleasure and to encourage the next generation of readers. You can access these through the [Family Hub](#).

Free Amazing Audiobooks for all ages

Audiobooks can bring life and depth to children's reading experience, encourage all readers, regardless of ability to access and share the incredible world of stories.
