Lockerbie Manor Residential Trip

Monday 14th March- Friday 18th March 2022

Dear Parent/Carer

Our Primary 7 children will soon be off to Lockerbie Manor to have a fabulous week at the outdoor centre. In preparation for their visit, there is a range of information that we would like to share with you to help with your planning.

Our final arrangements are as follows:-

Monday 14th March 2022

- Children can arrive any time between the normal school start time of 08:55 to 09:45
- Children will gather in the 'blue' gym hall. At this time and due to current Covid-19 guidelines, parents and carers will not be able to join us in the blue hall and will therefore share goodbyes at the school gates.
- The bus leaves from Fenwick Road for Lockerbie at approximately 10:30. Parents are welcome to join at this time to wave the bus off, however this is entirely optional. We would ask for your support in advance for social distancing in the immediate area of the coach; thank you in advance.
- Please note that we ask parents to provide a packed lunch to be sent in a disposable bag (no lunch boxes) as the children will be stopping on route at Strathclyde Country Park (weather permitting) to have lunch before their arrival at Lockerbie Manor for 13:30.
- Children should not bring sweets or chocolates containing nuts due to allergies and cross-contamination.
- Arrival at Lockerbie around 13:30 (we will be in contact via Twitter to confirm arrival).

Friday 18th March 2022

- Depart Lockerbie at 13:00 after lunch.
- We will arrive back at school by 14:45 (approximately).
- We will be in contact via Twitter with the estimated time of arrival in order for you to be able to meet and collect your child.

Spending Money

It is optional for children to take along £8 (coins only) pocket money with them to buy souvenirs from the Lockerbie gift shop. The children are expected to take full responsibility and any money carried is at the child's own risk.

Medication

If your child requires the administration of medication during the week an 'Administration of Medicines Parental Consent Form' (appendix 8) must be completed and returned; this is enclosed in the pack. Please ensure enough information is given about your child e.g. medication required because of Asthma etc. **All medication should be clearly labelled in a bag with your child's name and given to a member of staff on the morning of departure.**

Monday 14th March- Friday 18th March 2022

No jewellery (including piercings), except for stud earrings.

Please note that the children may have a disco as one of the evening activities. This will be evaluated closer to the time by the centre and the school, in particular with regard to Covid-19 related guidance and social distancing. However, don't forget to pack one party wear outfit (whatever your child feels comfortable in) just in case!

Lost property – Lockerbie centre must be notified of any lost property within 2 weeks of the school's departure from the centre. For any lost property that is returned there is a minimum charge of £10.00 to Lockerbie manor – this money is donated to NSPCC.

In addition to the information on the enclosed kit list, please ensure that:

1. All clothes are clearly labelled – remember that much of the clothing looks the same, particularly when it comes to packing up to come home again! 'Designer outfits' are not suitable and the week could be completely spoiled if your child is cold and wet, or an outfit is ruined. Older clothing that you do not mind getting muddy and even stained/ spoiled by the outdoor activities should be brought. There should be no need to spend any significant monies on clothing – please get in touch with the school before doing so if you are in any doubt. Denim jeans are not suitable for outdoor activities. For most of the sessions you should wear long sleeve tops and long trousers and shoes, which are suitable for the weather conditions. All children with long hair must tie their hair back whilst on session. Please do not wear any item of jewellery.
2. Please do not give your child an expensive family camera to capture their adventure. Often the photos from a disposable camera or similar are sufficient and it means that the children can enjoy their activities without worrying about damaging their camera. Moreover, our staff will post a range of photos on the school twitter feed during the week and, though we cannot promise multiple photos of every child, this may be enough for most families.
3. Please ensure your child does not bring any electrical or IT equipment such as mobile phones, tablets, games-consoles, hairdryers or straighteners, as we cannot be responsible for the loss or damage of such items.
