***ACTIVITY COURSES FOR THE
DEVELOPMENT OF YOUNG PEOPLE***

An introduction to outdoor pursuits in a safe environment

Covid-19 implications

- At this time, schools in ERC are able to plan their P7 Residential to Lockerbie Manor for this school session
- Given the changing nature of Health & Safety guidance and Covid-19 restrictions, it may not be possible to go at all, and/ or there may be other restrictions in place which we will need to adhere to
- Deposit payments (£50) will be refunded by Manor Adventure should national Covid-19 guidance and restrictions prevent us from going. All other payments will be held by the school/ not be sent to Lockerbie until March 2022, by which time we will have clear information on any Covid-19 implications

Outdoor Learning

‘The core values of *Curriculum for Excellence* resonate with long-standing key concepts of outdoor learning. Challenge, enjoyment, relevance, depth, development of the whole person and an adventurous approach to learning are at the core of outdoor pedagogy. The outdoor environment encourages staff and students to see each other in a different light, building positive relationships and improving self-awareness and understanding of others.’
