Dear Parent/ Carer

I have now been provided with the necessary guidance from East Renfrewshire Authority with regards to our Nursery Class and the proposed strike action on Thursday 24<sup>th</sup> November.

Where health & safety risk assessments enable nursery classes to be open, nursery classes in East Renfrewshire will be open on the 24<sup>th</sup> November. Having completed this risk assessment process for our nursery class this morning alongside ERC colleagues, I can confirm that **Giffnock Nursery Class will be open on Thursday 24<sup>th</sup> November** if the proposed strike action goes ahead. However, all nursery classes that are open will operate a reduced provision with all children who would ordinarily attend the nursery class that day attending between **9am–3pm**. For clarity, those children who would ordinarily attend between 8am-6pm can also only attend between 9am-3pm. As always, we would ask that all children are collected by 3pm as the nursery class will be closing straight after this time.

I understand that if the proposed strike action goes ahead it will cause significant disruption and additional challenges for our families. I am sorry for the significant inconvenience that this will cause.

If you require any further information, please do not hesitate to contact our school office on 0141-570-7180.

Kind regards,

Rob Lawson  
Head Teacher
