

Numeracy

- We are learning how routines and events in our world link with times and seasons.
MNU 0-10a

Expressive Arts

- We are learning to respond to the experience of drama by discussing our thoughts and feelings.
EXA 0-15a

Literacy

- We are learning to listen and take part in conversations and discussions.
LIT 0-10a

Suggested Home Learning Activities

- You could talk to your child about the change of season from Winter to Spring. You could identify the signs of Spring in the natural world.
- You could take turns to talk about your favourite books and the reasons that you like them.
- You could visit a local farm and talk about the names of animals and their babies e.g. cow and calf.
- You could watch your child's favourite TV show together and discuss what they liked about it.

Glenwood Family Centre
