

Numeracy

- We are learning to investigate objects and shapes.
MTH 0-16a

Expressive Arts

- We are learning to sing and play along to music.
EXA 0-16a

Literacy

- We are learning to choose stories or other texts to read or listen to.
LIT 0-01b/LIT 0-11b

Suggested Home Learning Activities

- You could go on a shape hunt in your home or your garden, identifying all of the different shapes that you can see around you.
- You could practise singing your favourite nursery rhymes together.
- You could visit your local park to support your child's developing gross motor skills and social skills as they play and take turns with others.
- You could share stories together and talk about what your child liked about the story.

Glenwood Family Centre
