

Numeracy

- We are learning to use simple directions and describe positions.
MTH 0-17a

Expressive Arts

- We are learning to express our thoughts and feelings using drama.
EXA 0-13a

Literacy

- We are learning to record our ideas in different ways.
LIT 0-21b

Suggested Home Learning Activities

- You could ask your child to draw a picture of themselves and ask them to describe what they have drawn.
- You could act out imaginative narratives with your child when playing with their toys together e.g. doll's house, farm etc.
- You could hide some 'treasure' in the house and then draw a treasure map together, discussing where the treasure is hidden.

Glenwood Family Centre

Learning and Growing Together

Health and Wellbeing

- We are learning to assess and manage risks to keep ourselves safe.
HWB - 0-16a
- We are learning that friendship, caring, sharing, fairness, equality and love are important in positive relationships.
HWB 0-05a
