

How Far I'll Go (Glenwood Version)

I've been playing with the sand and the water
'Long as I can remember, always reaching for the sky
I wish, I could stay at Glenwood longer
But now I have to move on, now I must say goodbye.

Every turn I take, every trail I track
Every path I make, every road leads on
To the place I know, where I want to go, where I long to be

See the line where the sky meets the sea? It calls me
And no one knows, how far it goes
If the wind in my sail on the sea stays behind me
One day I'll know, if I go there's just no telling how far I'll go

I know everybody in Glenwood, seems so happy in Glenwood
Everything is by design
I know everybody in Glenwood has a role in Glenwood
So maybe I can roll with mine

I can lead with pride, I can make us strong
I'll be satisfied if I play along
But the voice inside sings a leavers song
Come and sing with me!

See the light as it shines on the sea? It's blinding
But no one knows, how deep it goes
And it seems like it's calling out to me, so come find me
And let me know, what's beyond that line, will I cross that line?

The line where the sky meets the sea? It calls me
And no one knows, how far it goes
If the wind in my sail on the sea stays behind me
One day I'll know, how far I'll go
