

Health and Wellbeing

We are learning that we have similarities and differences but are all unique.

HWB 0-47a

We are learning to develop our understanding of the human body.

HWB 0-15a

Numeracy

We are learning to match objects and sort using our own and others' criteria.

MNU 0-20b

We are learning to use units of measure to investigate and compare sizes and amounts.

MNU 0-11a

Literacy

We are exploring the patterns and sounds of language.

LIT 0-01a / LIT 0-11a / LIT 0-20a

We are learning to ask questions and link our learning with what we already know, to help us to understand stories and texts.

LIT 0-07a/0-16a

Suggested Home Learning Activities

- You could practise singing nursery rhymes together or reading stories with a rhyming pattern, picking out words that rhyme.
- You could collect some leaves from the garden and sort them into different categories such as shape, size or colour.
- You could compare features and personality traits and discuss which family member your child is most like.
- You could talk about healthy and unhealthy foods together when making dinner.

Glenwood Family Centre

Learning and Growing Together

UNCRC

You have the right to healthy food and clean water.

Article 24

You have the right to privacy.

Article 16

We are learning to explore our rights.
