

Colour Scavenger Hunt

What you need

- Paper and pens to make a colour chart for your colour scavenger hunt
- If you have a printer, print out the **Winter Scavenger Hunt** list from our home learning page (items added in January 2021) so your child can check off their list.

What to do

- Use your coloured pens to draw patches of colour to make a colour chart like the one in the picture above
- When out on a walk look for items to match the colours on your chart.
- Bring your **Winter Scavenger Hunt** checklist and check things off as you go along
- Take some photos of the items you find and Tweet them to us [@HazeldeneFamC](https://twitter.com/HazeldeneFamC)

Things you can add are

- Follow the instructions on our website to **Make Toy Binoculars** (added 11th January) and take these to help you search for the items or colours.

What are the children learning?

I explore and discover the interesting features of my local environment to develop an awareness of the world around me. **SOC 0-07a**

- Investigate the local environment
- Observe and record features of the local environment.
