

Hazeldene Family Centre - Learn and Grow Together

New Garden Equipment March 2021

Community Climate Asset Fund

Grant Award

Community Climate Asset Fund

- Hazeldene Family Centre is delighted to have been awarded a grant of £5050.56 from the Scottish Government's Community Climate Asset Fund, to reduce local carbon emissions through planting and growing some of our own food.
 - The CCAF is Scottish Government fund, administered by Keep Scotland Beautiful, and 279 community-based organisations from across Scotland have been awarded more than £3.2 million of funding to tackle climate change.
 - Further details from www.keepsotlandbeautiful.org/ccaf
- We purchased a range of planters, soil and seeds to grow fruit and vegetables in the nursery garden.
 - We also bought tools for the garden, 2 mini greenhouses, cold frames, planting tables and a range of garden tools.
 - Some photographs of the equipment are shown on the following pages.

Staff consulted with children to design a plan for the layout of the new garden equipment.

Parent volunteers worked to the children's plan to help build and set up the equipment.

Some of the children helped to build the new equipment

Getting Ready to Grow

- The children have started to plant up some of the raised beds and planters.
- We will continue to sow the seeds of our crops.
- We will be learning what plants need to grow and how to look after them.
- We will share our harvest and cook some of the vegetables for snack.
