Improvement Plan

2024-25

2024-2025 PRIORITY

Ensuring a High-Quality Learning Environment that relates to the totality of the interactions, experiences and spaces that we provide for our children.

2. INTERACTIONS

We plan to reintroduce more frequent staff meetings as part of a whole Centre focus on professionalism and raised aware of professional Codes of Practice

1. SPACES

We plan to review our playroom spaces, both indoors and outdoors, evaluating how the children use these spaces and how we can continue to improve them.

3. EXPERIENCES

We plan to review our adult-led experiences to ensure they remain developmentally-appropriate to the age and stage of our children whilst ensuring sufficient challenge
