

Health and Wellbeing: Art & Design

Nurtured

For me this could be:

- Knowing my teacher is fair when dealing with discipline in the class
- Being encouraged to comment positively on my own and other pupil's work

Examples of this in action:

- Standards are maintained and discipline is recorded and dealt with fairly
- Teachers foster a positive and caring attitude when pupils comment on their own and work of their peers

Active

For me this could be:

- Helping my teacher by distributing and collecting in materials and resources at the start and end of each lesson
- The opportunity to go on trips and take part in competitions

Examples of this in action:

- Teachers encourage a caring and helpful attitude between themselves and pupils
- Opportunities are created for pupils to take part in various working trips, e.g. Riverside Museum

Achieving

For me this could be:

- My work being celebrated and published on Flickr, the school calendar and Pupil of the Month
- Seeing an improvement in my work because I am encouraged to do my best

Examples of this in action:

- Teachers use the Flickr site to display pupil's work and publish a calendar to promote pupil's work
- Teachers foster the pupil's interest by encouraging the pupil's own personal learning through classroom discussion, power points etc.

Respected

For me this could be:

- My work being displayed on the walls in the department
- My work being displayed on Flickr

Examples of this in action:

- Pupil's work is regularly displayed throughout the department
- Pupil's work is regularly displayed on Flickr

Healthy

For me this could be:

- Enjoying interesting and varied lessons and taking pride in my achievements and progress
- Taking part in competitions relating to human conditions

Examples of this in action:

- Lessons are interesting, enjoyable and diverse, fostering confidence
- Competitions are encouraged relating to health issues, e.g. Poster Competition for Dyslexia

Responsible

For me this could be::

- Taking responsibility for my own learning and not interfering with the learning of others
- Looking after my school environment

Examples of this in action:

- Pupils are encouraged to take responsibility for their own learning and not to interfere with the learning of their peers
- Teachers encourage decency, conformity, and respect for the school environment

Safe

For me this could be:

- Being taught to use equipment safely and follow safety rules
- Knowing that teachers look after me and keep me safe

Examples of this in action:

- Teachers demonstrate the safe use of equipment and ensure that pupils adhere to class rules
- Teachers know pupil's needs and support individual needs and create a safe working environment

Included

For me this could be:

- I am encouraged to join various clubs and participate in school activities

Examples of this in action:

- There are various clubs available for pupils to participate in and enhance their school experience, e.g. Fashion Design Club
