

Some people go to college when they are in 5th year. Normally a member of staff will go with them. The school bus usually takes people to college but sometimes you might go in a taxi. We also work hard to attain SQA Access qualifications when we are in the secondary part of the school.

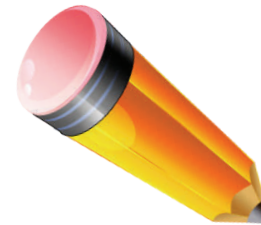

Isobel Mair School

It's my school !

We have two school nurses, Shona and Vicky. They look after us if we are not feeling too well.

Welcome to Isobel Mair School.

We are sure that you will be happy here and that you will soon make lots of friends.

Mrs Wallace is the Head Teacher.

Mr Crossan and Mrs Clark are Depute Head Teachers.

At our school we use lots of different technology. We use SMARTBoards, iPods, cameras, computers and lots lots more.

We play lots of different sports.

We have a football team, play basketball and we go to the Mod to dance and keep fit. We also have a fantastic outdoor play area.

In school Art, Dance and Music specialists help us learn new things and are great fun.
