OLYMPIC SUCCESS

We are pleased to share this
message from the Clark Family.

Amy has been to Bath for the Special Olympics and what a week it was! Amy's team, Scotland West, left in 4 large coaches from Scotstoun Stadium on August 27th. The Lord Provost delivered a rousing speech wishing them well, they were piped onto their coaches and off they went! The opening ceremony was an incredible event. The ceremony involved all 17 teams taking part in the athletes parade and then a show including a performance by Susan Boyle. One of the athletes lit the Special Olympics Cauldron which burned throughout the event..

Amy competed in 4 different Rhythmic Gymnastic events: clubs, ribbon, hoop and ball. She was fantastic and we were all so proud of her. Amy won a silver medal for each of her routines

and a silver overall medal. We were then told she had been selected to perform one of her routines at the gymnastics closing ceremony. She was delighted to receive a gold medal for this!

We are so grateful for your help and support in allowing Amy to attend this incredible event. It has been an amazing experience !

DIRECTOR'S FAREWELL

Director of Education Mr John Wilson paid the school a visit on 28th August which gave pupils and staff a chance to wish him all the very best for his retirement. Mr Wilson had a special surprise as IMS ex "Head Man" Fabio Ramaglioni took time out of his busy College career to come and see his special friend off in style! We will all miss Mr Wilson and thank him for his support and friendship over the years.

THANKS TO WAITROSE

We were delighted to once again be nominated as a Waitrose local good cause of the month before the Summer and School Captain Cassie Maher was thrilled when one of her first duties was to go down to Waitrose to be presented with a check for £433 for the school fund. Thanks to Waitrose for their continued support of our school and thanks to all those who voted for us.

The second week of term saw the school take its first steps towards becoming a Rights Respecting School. Rights Respecting School status is awarded by UNICEF to schools which can demonstrate a rights respecting ethos and which have also raised pupil awareness

of human rights, specifically *The UN Charter on the Rights of the Child*. Classes across the school took part in lessons and activities to highlight some of the articles in the Charter. We will keep you posted on our progress towards Rights Respecting Status..
