Suggested Numeracy & Mathematics APPS

App	Squeebles Scribble & Substraction	Description
£1.49		Perfect for 5 to 11 year olds wanting to practice their addition and subtraction in a fun, interactive way. The Squeebles are back – and they need you to use your addition and subtraction skills to help them!
£1.99		Eggy Numbers to 100 is a fun and motivational app that teaches children aged 6–8 the addition skills needed for success with mathematics.
£1.99		Eggy Numbers teaches young children to identify, write and count numbers 1 to 10 through a series of seven interactive numeracy games.
£0.69		The object of Math Bingo is to get a pattern of five Bingo Bugs in a row by correctly answering math problems. Math problems are presented at the top of the game screen. Feedback is presented at the bottom of the game screen. Correct solutions to problems answered incorrectly will be displayed.
Free		Pizza Fractions offers a simple, visually-based introduction to fractions for primary school children.
Free		Learn Number counting, writing, and listening skills. This game reinforces associative learning which may aid in early brain development in young kids and may help your child get a HEAD START in READING and WRITING.
Free		Teaches kids how to Count, Add, and Subtract VISUALLY using fun animations with a prize reward system for completing each level.
