WELCOME

Miss MacKay opened the meeting welcoming everyone. She introduced Tom Malone from Young Enterprise and the plans that have been discussed to develop/improve the Sensory Garden and school grounds.

Sensory Garden and school grounds

We had a discussion about the ideas for the sensory garden and school grounds. The pupils gave some great ideas about what colours of flowers they would like to see in the sensory garden. Shetland will start to grow some various colours of flowers at Horticulture with Tom Malone to show the pupils so they can choose.
