

East Renfrewshire Carers' Centre and the Local Area Co-ordination Team

**Are you a parent carer looking after a child
age 12 or under on the Autistic Spectrum?**

**Would you like the chance to meet up with other parents in
East Renfrewshire doing the same?**

Then please come along!

This evening is intended to give those caring for younger children on the autistic spectrum an opportunity to meet with other parents, have time out, share valuable information, get connected and talk with people who understand. This informal event has been arranged in response to requests from parent carers for opportunities that will reduce isolation and provide peer support.
