

Dear Parent/Carer,

My name is Carol and I am a Habilitation Specialist with Blind Children UK (part of Guide Dogs Family) covering the West of Scotland. Blind Children UK works together with Guide Dogs to open up the world for children and young people aged 0-25 years with sight loss. We deliver a range of services comprising Habilitation (including independent living skills, mobility and orientation), buddy dogs, and guide dogs for young people, large print books and information events for their families.

We hope to hold an experiential event at our Hamilton office and would like to hear your thoughts on what the day could involve.

We want to make sure the event meets your expectations so please answer a few questions below and return the tear off slip to me by post or e-mail me direct for a copy of the form. (please return completed forms by the 5th of December 2014).
