

Are you a parent carer looking after a child or young person on the Autistic Spectrum?

Would you like the chance to meet up with other parents in East Renfrewshire doing the same?

Then please come along!

This evening is intended to give those caring for children and young people on the autistic spectrum an opportunity to meet with other parents, have time out, share valuable information, get connected and talk with people who understand. This informal event has been arranged in response to requests from parent carers for opportunities that will reduce isolation and provide peer support.

Wednesday 4th March 2015

7.00pm-8.30pm
