

## Head Teacher's Report – Parent Council

**14th May 2015**

Demo of the new sensory room – donation from the Parent Council

Thank you again,

### Where to start !

We have had VIPs from East Dunbartonshire, South Ayrshire, East Renfrewshire Disability Forum, Education Scotland and many many more.

The careers fair organised by Sarah-May Philo was a huge success with commercial partners and supporting agencies in school to discuss the skills required for a range of volunteering and the wider world of work.

I am delighted to announce that we are finalists for a Scottish Education Award in the Health and Wellbeing category. The judges were in school last week and the winners will be announced at a special ceremony on the 10<sup>th</sup> June – fingers crossed!

Dreams Come True weekend all set to go – please check the website and twitter for up to date pictures when we are away.

### Donations

Waitrose have a community matters box for the school, please drop the green coins in the box.

£91 – Mearns History Book

£116.80 – Rag Bag

£150 – Womens Institute

£100 – Via George Roberston (Chloe Mason)

£300 – Donation from the Oil Riggs (Karen McLaughlin's Husband)

### Fencing for the Loch Ness

We have received a quote for £3000 to put waist height fencing around the patios in Loch Ness. The classes have asked that this could be considered as it would be a more flexible space for teaching

and outdoor learning, especially as the summer is nearly here. If the Parent Council are in a position to contribute toward this it would be greatly appreciated.

#### Classification

Sarah- May Philo and Simon Whyte are Acting Principal Teachers as Sue has had surgery on her foot and as a result of Julia Haugh-Reid commencing her post as Head Teacher of Hazelwood School. The draft classification has been distributed to staff and will be issued to parents week commencing the 1<sup>st</sup> June 2015.

We have been given an additional teacher due to the increase in the school role an advert will be on My Job Scotland on Friday.

#### Parents Night reminder 8<sup>th</sup> June.

#### Improvement Plan

Thanks to everyone who provided evaluative responses to the questionnaires we will include any suggestions and feedback in the standards and quality report and the new school improvement plan for session 2015/2016.

Remember to check out our website for daily updates on the activities that are happening in school
