

Dear Parent/Guardian,

Mearns Castle High School's Young Enterprise Scotland team, Red Thistle, are proposing to design and produce a unique tartan scarf for Isobel Mair's school uniform. Young Enterprise Scotland is a charitable organisation which allows pupils to develop their business skills through starting up and running their own company for a year.

This year Red Thistle designed and produced a unique tartan scarf to complement the Mearns Castle High School uniform. We are now looking to expand our service to other schools in the local area. Using our contact with Alexander Begg, an internationally recognised weaver, the scarves would be created from 100% lambswool. We aim to deliver the scarves around mid-October in time for the winter period.

To gather feedback from the school community we kindly request that you fill out the attached questionnaire. Any completed feedback should be returned to the school by Friday 19<sup>th</sup> June 2015.

Kind Regards

Red Thistle
